MAINTENANCE LOG BOOK

Fire Protection Equipment Maintenance Log

Fire Protection Equipment Maintenance Log (298A)

Log Book Only — Model 298A

The Tesla Fire Systems Fire Protection Equipment Maintenance Log (Model 298A) is a hardcover, landscape-format record book for documenting inspection, testing and maintenance of fire protection equipment. Keep a dated, written history on site so records are organized and ready when needed.

Features

- Hardcover construction in red for easy identification
- Landscape format for recording equipment details and service history
- Spine printed "FIRE PROTECTION EQUIPMENT LOG" for quick shelf identification
- Model number 298A printed on the front cover
- Tesla Fire Systems branding on front cover
- Pairs with the System Records Documents cabinet (TSRDC) for secure storage
